FOREIGN EXCHANGE

Liebe Freunde,

My name is Bernhard Arenz. My friends call me Berni, and my very special friends call me Grobi. I am from Gummersbach West Germany. It is located in a beautiful area called Oberbergischesland, not very far from Cologne. I like playing keyboards, especially the synthesizer. I like to draw and make good friends. I enjoyed my year at Monte Vista and I want to thank everybody who made it possible for me to stay here. This year has been a very special experience and I have gained a lot.

Konnichiva, (Hello)

I am Kanako Kikuchi from Iwate Japan. I am very glad to stay in this beautiful city and to be at Monte Vista. American people and customs are very interesting for me, everything is so different and wonderful. I am enjoying American life. My American family is just like my real family. I feel I am their real daughter and sister. Thank You for helping me-I Love You So Much! Thank You to my family in Japan for giving me this great chance, I had a great time.

I loved to study here at Monte Vista. It was a great year and I learned so much about people. I am sad and happy of going back. I liked my teachers, but mainly Mr. Engfelt who helped me a lot. I would like to thank Tom Brasil, Julio, Eduardo, and Luis. VALEU GENTE! They really helped me during the bad periods of the year. Thanks AFS for the great experience. My ambition is to talk to the girl with the long, brown hair. She has a yellow car and her locker was next to Mr. Aldridge's class. I loved it when you looked at me. I will never forget you PRETTY GIRL. EU AMO BRASIL!

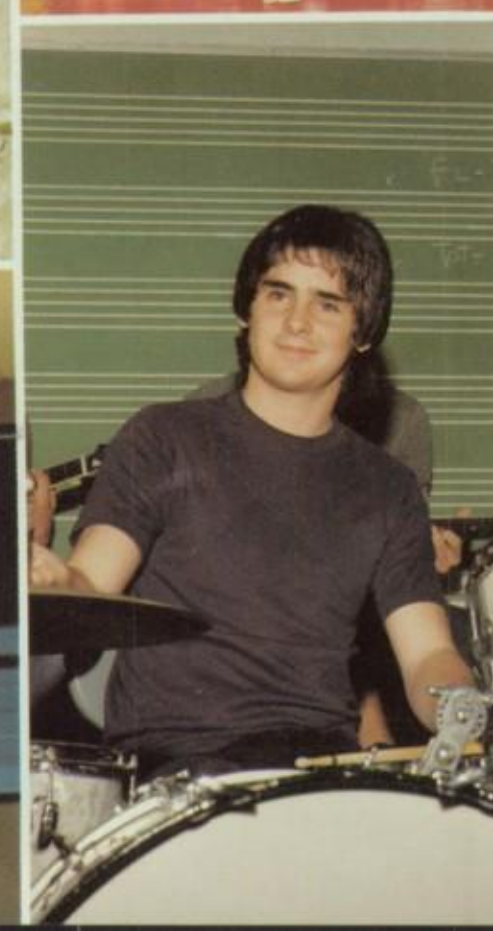

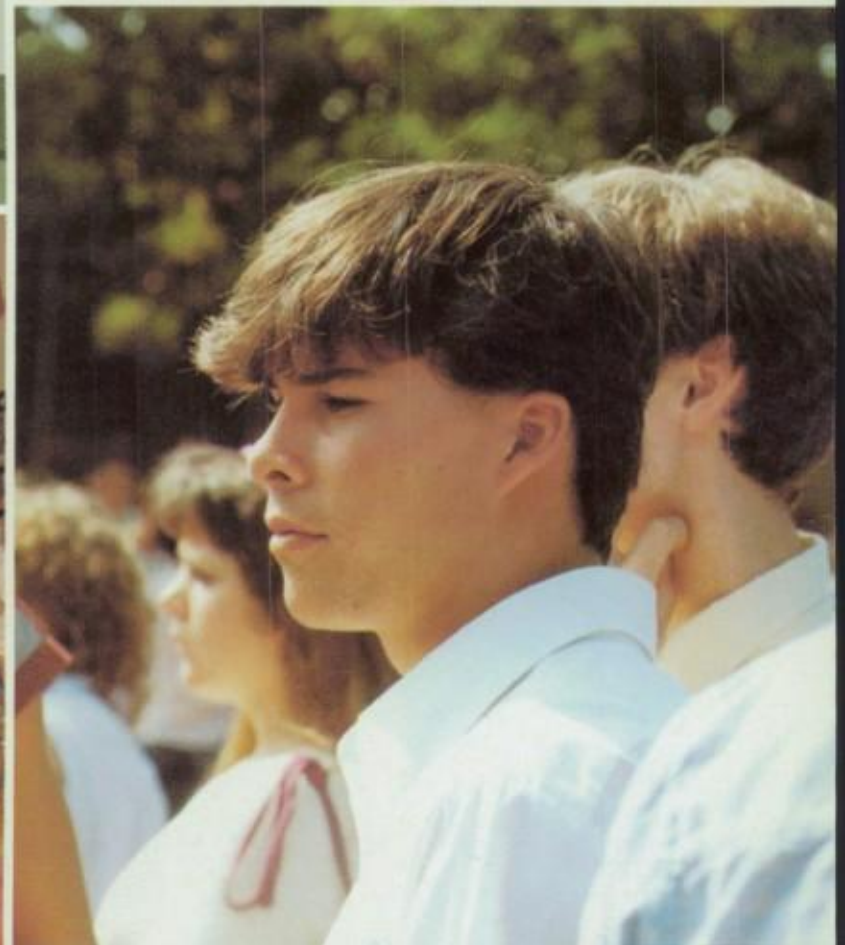

Mario Ricardo Lobo Cavagnari

My name is Patricia Gonzalez. I come from Monterrey Mexico. My year at Monte Vista has been very good. I enjoyed my classes and teachers. American people are very nice and they helped me a lot. I like my host family, and my host sister Kris helps me. Now I know a lot of San Diego places.

I am an Exchange Student from Brazil, a big country in South America. The people speak Portuguese not Spanish. I had a chance to live and study for two months in Florida before I came here. I can now say California is great and Monte Vista is a good school and has friendly people. In Brazil the people go to school only to study, they don't have a school social life like here.

Being an Exchange Student is really exciting.
Eu amo voce United States!

In late June, Nina Belanger and Larry Getz stayed up in Sacramento for a week and participated in Boys/Girls State. They learned about government and the city, county and state levels. They constructed a mock government and were told to run for offices. Nina was a city judge & moved up to State Senator. Both said it was an enjoyable experience and they met many nice people.

The 1983 Monarch Football Season offered the excitement and frustration traditional to Monte Vista High School. The season began with a victory over Granite Hills, and ended with a Monarch win over El Cajon. Throughout the year, our fans were thrilled by catches by Monte Arauso, and QB sacks by Bryan Love. The inspirational leader this season was our outstanding defensive back Alan Lacuesta. Pat Alexander and Randy Sterling anchored a young offensive line. Our stalwart on defense was Dion Doane at linebacker. In a look to the future, we hope to see Paul Howard, Tony Kemp, Matt Eggert, and Tony Gulletto as well as many others carry on the Tradition of Monarch Football pride. A LOTTA MC.

With a big turnout of runners and a new coach, Don Jones, the start of the season brought optimistic hopes. Unfortunately the team was plagued by injuries throughout the season. Although greatly diminished in size, the team pulled together and finished fourth in league. The Monarch girls were much improved this year. This team will lose three seniors, but the rest of the team is young. They're looking for an even better season next year.

The 1983 Monarchs were off to a slow start, winning only two of nine games. All eleven of those games were played in 15 days. Senior Debbie Glasco did not play in any of those games and Eva Lozoya saw limited action because of an injury.

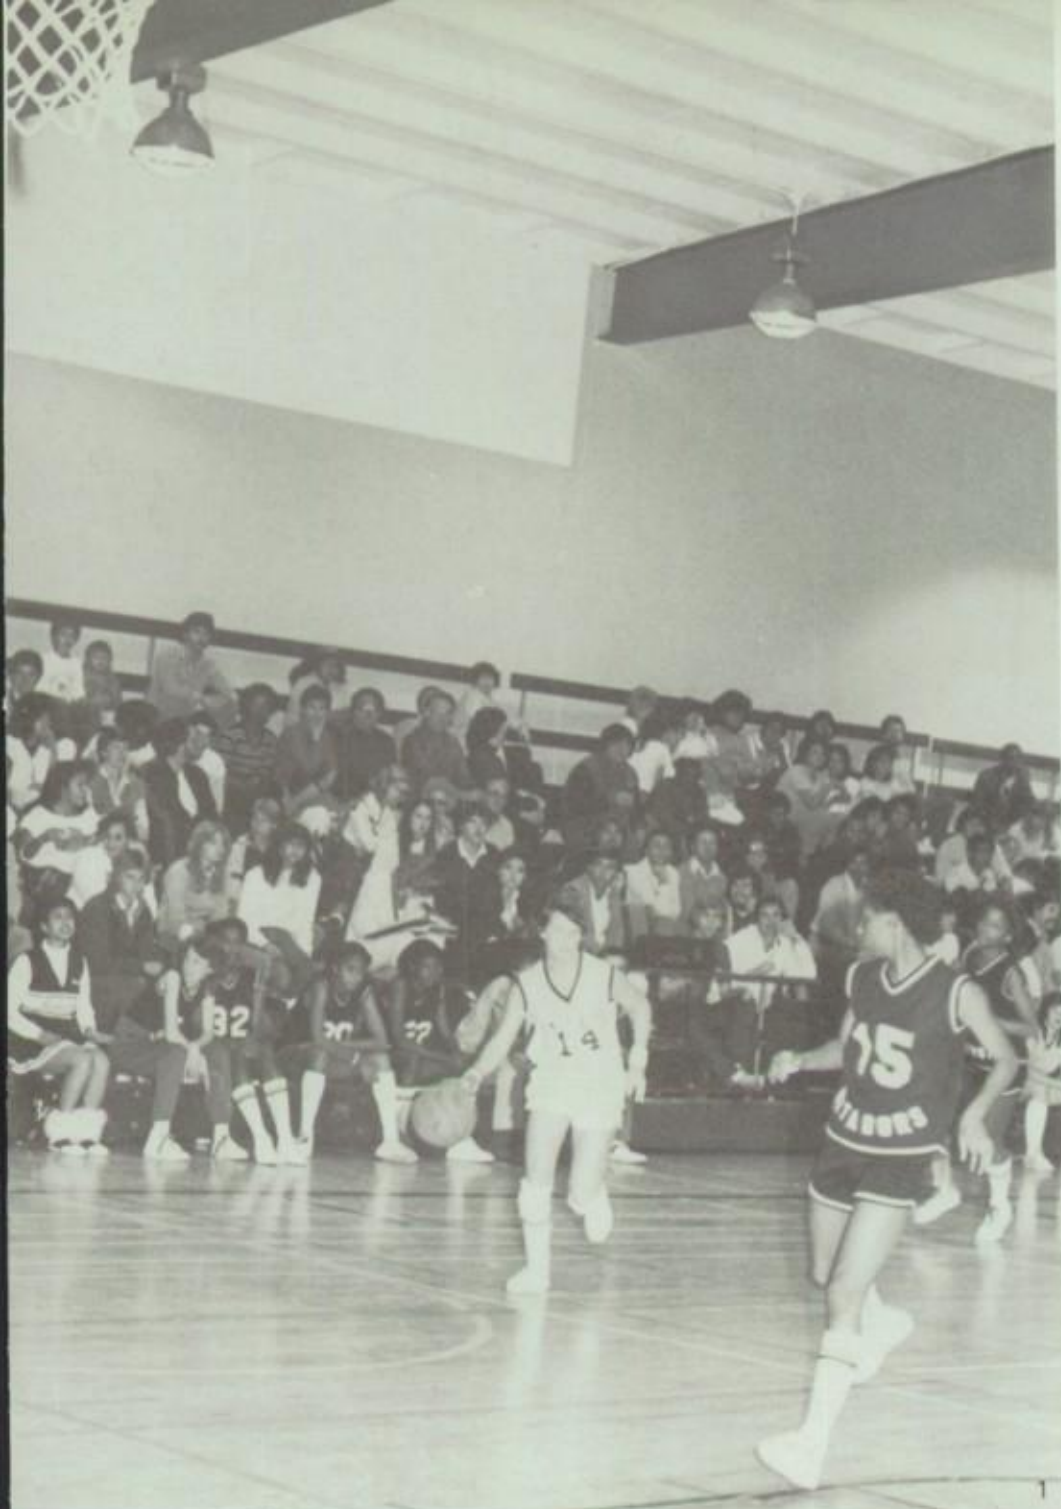

The team was picked sixth in the league by a pre-season poll of the coaches. However, their record was 3 and 1 before the Christmas break. After vacation the team continues its winning streak and finished with a 15 and 3 record.

This was the first time since 1978 that our girls team went to CIF as the second team Grossmont league representative. The team traveled to Fallbrook only to lose a tough battle 64-59.

Sophomore Paula Mascari and Senior Debbie Glasco were selected for the 2nd team All League roster. Becky Aikin was 3rd team. Honorable mention went to Eva Lozoya and Shana McDonald. The Daily Californian chose Paula Mascari for the first team. Coach Silva was named "Coach of the Year." Next year promises to be a better year with four returning starters along with many others.

This year the Monte Vista Boy's track team is coming back strong, and looking for a league title. In the first Grossmont tri-meet ever, the Monarchs beat Santana and edged Valhalla with the help of Rodel Agpaoa and his dramatic jump. The track team's new head coach, Don Jones, feels optimistic about the coming year. We are strong in all areas this year. The team has top athletes like Ari Schauder, Martin Sandoval, Lonny Howard, Damian VanZile, Eric McKenzie, David Palmer, and many other strong performers. 1984 should be a successful year.

This year the girls Track team looks much stronger, with most of its team returning. Returning to the team this year is all-league, all-CIF Junior Traci Baker. The team also expects strong performances from Seniors Beth Warren, Sue Jones, & Robin Karas. Other Runners like Wanda Yocum, Kara Goode, Jackie Boco, Vianca Traconis & Denise Bare are expected to be all-league, possibly all-CIF contenders. The Monarch girls seem to be more rounded this year, but time will tell as the season progresses.

Congratulations to all "Monarchs" as we close another successful year. It has been a time of change, adjustment, and progress. A good year thanks mainly to the cooperation and understanding of our educational community who have pulled together for the school. Adjustments have been made by all of us to keep abreast of an everchanging world. Progress has been made in all aspects of our school life as we continue to meet the challenge of constant that is ever present. We have become a high technology society. The explosion of technological inventivness has contributed to an improved quality of life. Through this transposition and in all aspects of our daily routine we have worked together to fulfill our primary goal, "to provide the finest education possible for every student in our school." A great deal is owed to public education and to creative and energetic students who have capitalized on their educational opportunities, thereby contributing to the prospect of brighter tomorrows and dreams fulfilled.

I salute our staff, students, and parents who have toiled tirelessly to maintain the excellence that marks our school as fine a learning institution as you will find anywhere.

Kieth -
glad I got to
know you (again) this
year! You're a really
sweet guy, stay that way!
have a rad summer partying,
but keep out of snowbo-
le!
